East 7th Street borders the north side of the Industrial Park and East 10th Street borders the south, giving you two options for traffic to access the property. Cottonwood Street provides easy access to the lots located in Blocks 3 and 4.

The Industrial Park is in the city limits of Wakefield, with the highway frontage zoned for commercial use and the remaining lots zoned for light industrial. The entire Industrial Park is eligible for TIF financing. Utilities are on-site or just adjacent along the north side of East 7th Street.
